

T-Pain

2017 PRESS KIT

"One of the most influential figures in contemporary R&B/Hip Hop whether as a solo artist, a featured guest or a producer." - People's Magazine

“T-Pain’s New Mixtape Will Remind You How Crucial He Is to Music.”

- MTV News

T-Pain is an award winning singer, producer, rapper, dancer and artist. He has sold over 16 million albums worldwide and over 50 million digital tracks worldwide. Throughout his career thus far he has had 12 #1 singles, 60 top ten singles, a plethora of radio hits and millions of concert tickets sold worldwide.

T-Pain has received 11 Grammy nominations and has won two Grammys, along with a variety of other awards and accolades. Described by People Magazine as “one of the most influential figures in contemporary R&B/Hip Hop whether as a solo artist, a featured guest or a producer,” T-Pain is a leading sound innovator in Hip Hop and R&B with a signature sound that successfully transcends across genres and fans worldwide.

His newest mixtape *Oblivion*, produced by Dre Moon, will be released this March.

With over 60 hit songs and 10 platinum plaques in the past decade, Two time Grammy award winning artist T-Pain’s influence and impact on the global music landscape is indisputable. This impact is well documented with his last international “I AM T-PAIN” tour consistently selling out shows throughout the US, Europe, Australia and all points in between in.

Following up on his slew of chart topping singles; T-Pain is currently working on a mixtape which he promises will be an authentic return to being the artist that he originally intended to be. With his latest single “Dan Bilzerian” garnering over 3.4 Million streams on Soundcloud, his upcoming Dre Moon produced mixtape *Oblivion* is expected to be a critical success and fans eagerly await its March release. As he returns to music industry dominance, fans will surely recognize the quality of his music, his captivating energy, and many of the positive changes he has made.

With many artists in the marketplace building successful careers borrowing from a sound that T-Pain created, it’s only right that he return to claim his throne. Only this time, don’t expect him to take another break: he’s going as hard as ever.
